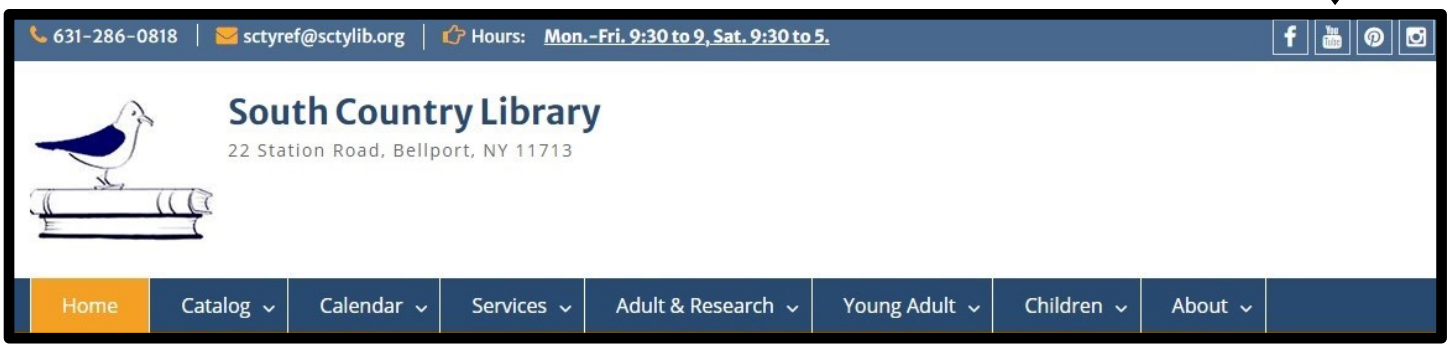
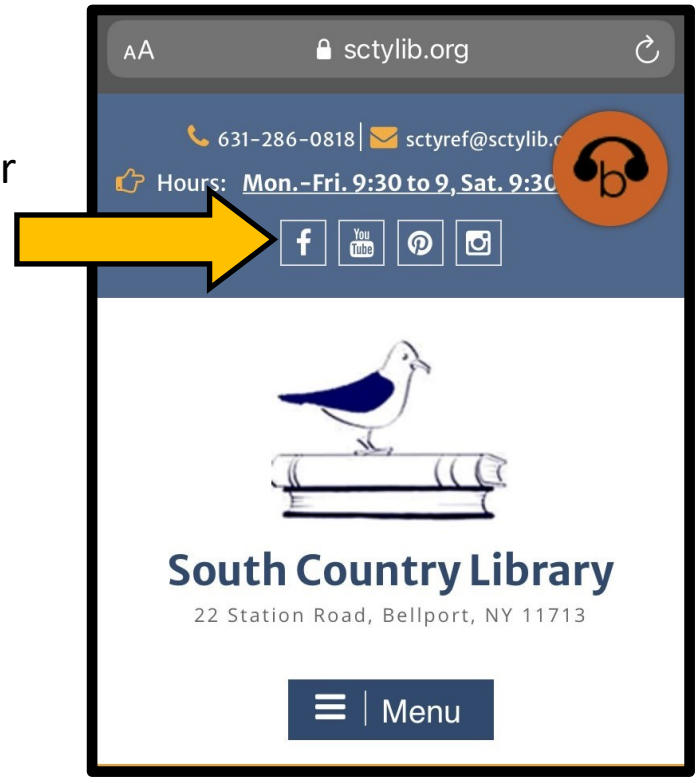
How to get to the Library's YouTube page

In your web browser (Firefox, Chrome, Safari, etc.)
go to our website — **sctylib.org**

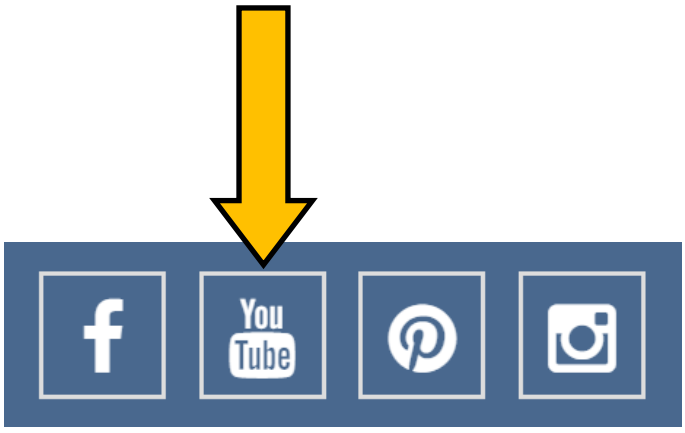
Look for the four white squares on a dark blue background.
If you are on a computer or a large tablet,
they will be in the upper-right corner.



If you are on a smartphone or smaller tablet, they will be in the upper-center part of the screen.



Once you find the squares,
click the second square from the left,
which has a little YouTube logo in it.



Then you'll be brought
to our YouTube page!
