11th Annual Outdoor Concert
Ahmad Ali
Saturday, June 1, 7 p.m.
Our annual outdoor concert features local premier blues and soul musician Ahmad Ali and his extremely skilled backup group. In a program he calls, “The Soundtrack of Our Lives,” Ahmad performs blues and soul hits from the ’60s to the present. Ahmad has performed indoors at the library many times and is one of our most requested musicians. Do not miss this show! The show will take place in the library portion of the front parking lot. As always, we provide limited chairs. Bring chairs and/or blankets. In case of rain, the show will be moved to the downstairs program room.
